

Valley City Area Teacher Center sponsors:

Using the Visual Arts to teach Life Science June 21-22, 2016

Registration Fee: \$20 to non-teacher Center members; \$20 deposit for VCA Teacher Center Members (Deposit returned upon attendance)

Deadline to register is May 25th, 2016

Workshop Description:

The workshop will be fun and fast paced with many hands-on activities educators can use in their classrooms, discussion of classroom and curriculum integration, and identification of local resources. North Dakota resources, environment, and wildlife will be emphasized in this workshop. Field trips will be taken to demonstrate the use of natural areas as classrooms. Workshop participants will have the opportunity to experiment with different media including clay, watermedia, pastel, and colored pencil. No previous art experience is required for this workshop. The workshop is suitable for educators teaching K-12.

The workshop will provide educators with material to meet Life Science Standards.

The workshop will have an optional 1 graduate credit. Cost is \$50.

Workshop days will be 8 to 4:30. (Lunch will be on your own.)

The workshop will be held in the Valley City area.

Workshop will be taught by Sherry Niesar, Curriculum Specialist, North Dakota Game & Fish Dept.

Contact Sandy Zahn to register.
